-----> Our [AZEBR] adoption contract reflects the fact that we make a lifetime commitment to our birds. In the event the adopting party would become seriously ill or death would occur, we require that the bird be returned to AZ Exotic Bird Rescue, Inc. Our birds cannot be willed or placed in the care of family or friends without prior written consent of a member of our board of directors. If, for any reason, you can no longer care for the bird(s) they must be returned to Arizona Exotic Bird Rescue, Inc. You will be asked to agree in writing never to sell, give, donate or re-home any of the birds you adopt for Arizona Exotic Bird Rescue, Inc.

Do you understand that if for any reason you are not able to care for your exotic bird, AZ Exotic Bird Rescue, Inc. requires a return of the bird in a timely manner? _____

----->A home study is generally done to assist us in making our decision in the placement off our exotic birds. Seeing the environment where the bird will be living and meeting the people and pets residing in the home helps us determine what bird would fit best in your family. Furthermore, this allows you to have questions answered in person as well as seek our advice on matters concerning the care of exotic birds.

-----> In the event a home study is to be scheduled, we will notify you in advance and allow you to set a time best fitting your schedule. Additionally, we ask that you donate a minimum of \$25.00 in advance of our visit to cover our expenses. Donations are non-refundable and do not guarantee an applicant's approval.

Do you agree to allow AZEBR access to your home in advance of their decision to approve you as a candidate to adopt? _____

Do you understand that AZ Exotic Bird Rescue, Inc. does not buy, sell or trade birds and will only adopt an exotic bird to you IF you are in a safe, suitable and stable situation and will keep the bird's safety a number one priority? _____
